**Subject:** Update on investigation, subpoenas, etc.

City staff: I want to continue updating you on what little I do know about the investigation that began last May with the search warrants served at the residences of our Council Members (the ones in office at that time) and others. Subpoenas were delivered to the Clerk's Office today for documents related to the items listed below (most of which, the Clerk indicates, have already been provided to them). In addition, I was served with a subpoena to appear before a grand jury next Wednesday, as was Tom DeSantis. Our testimony is being requested just as witnesses.

Also, some in the media have tried to make an issue of an item on tonight's Council agenda; it is a routine update by the City Clerk of the City's record retention policy. This is done every few years to keep current with technological advancements and to comply with State law. Other cities do this as a routine update as well. Prior year updates were approved by the Council in 2003 and again in 2007. An outside consultant has been working on this update for over one year, obviously well before any investigation began. Tonight's item is on the consent calendar, as was the previous update. The City Clerk will be pulling this item from the agenda and preparing a comprehensive report to present to the City Council at a later date when the consultant can attend and provide information regarding this routine update. I don't know if the record retention update prompted today's influx of subpoenas, but as always the Clerk's Office and City staff will comply fully in providing copies of these items.

I apologize for any distraction and thank you for your continued hard work serving the City of Moreno Valley.

The District Attorney's Office has reason to believe that litigation may result from matters currently under investigation with regard to the City of Moreno Valley and that relevant evidence potentially may be destroyed if Resolution No. 2013-82 is passed and implemented. This information may be in the City of Moreno Valley's possession or control and the City has a duty to preserve that information.

Therefore, the District Attorney's Office demands that the City of Moreno Valley immediately take action to protect and preserve until further notice any of that information that is in its possession or under its control until further notice.

Specifically, the District Attorney's Office demands that the City of Moreno Valley immediately suspend deletion, overwriting and/or any other destruction of records and electronic stored information (hereinafter "ESI") connected, either directly or indirectly, to the following:

- All records and ESI associated with or concerning the following development projects: Skechers, World Logistic Center, Prologis, Aquabella Development, Ridge Property Development and Nason Street infrastructure improvements.

The District Attorney's Office is specifically demanding that you preserve all documents, tangible things and ESI potentially associated with or concerning the matters identified above for the time frame of January 1, 2008 to present.

ESI, as used in this demand, should be afforded the broadest possible definition and includes (by way of example and not as an exclusive list) any and all information electronically, magnetically or optically stored as:

- Databases (e.g., Access, Oracle, SQL Server data, SAP);
- Contact and Relationship Management Data (e.g., Outlook, ACT!);
- Calendar and Diary Application Data (e.g., Outlook PST, Yahoo, blog tools);
